Foreword

This compilation is Volume II of the "Criss-Cross Directory of NASA "N" Numbers and DOD "AD" Numbers." The earlier volume, Volume I, which was published in 1984 and covers the period 1962–1978, identifies AD numbers to N numbers as well as the NASA Research Report series with their complementary N numbers.

Volume II covers the period 1979–1986 and updates the material previously published in Volume I. In addition, Volume II lists the N numbers to AD numbers for the entire period of 1962–1986. Because of the number of pages, Volume II has been published in two parts (Part 1, pp. 1 to 450; Part 2, pp. 451 to 897).

This publication is a joint venture of the National Aeronautics and Space Administration and the Aerospace Division, Special Libraries Association since it is of mutual benefit with NASA providing the reproduction copy and the Aerospace Division, SLA providing the appropriate availability.

I arranged for the format layout and the publishing of this Directory in addition to obtaining the printouts of this compilation from Mr. Van Wente, Scientific and Technical Information Division, National Aeronautics and Space Administration.

We express our appreciation to Mr. Van Wente, NASA Headquarters, Ms. Jacqueline Streeks, NASA Scientific and Technical Information Facility, and the other NASA individuals who cooperated with the Aerospace Division, Special Libraries Association.

Veronica Hsu and Virginia (Jean) N. Anderson, Chairpersons of the Special Libraries Association's Aerospace Division, were especially helpful in the promotion and funding of this compilation.

George Mandel
Chief, Technical Information Services Division
NASA Lewis Research Center
February 1988
