NSI USERS WORKING GROUP
February 12, 1991

Yvonne Russell/Christine M. Falsetti
Customer Service Manager
NASA Science Internet
AMES RESEARCH CENTER
Range of Services

Requirements Management
- Negotiation of Memorandums of Understanding (MOU) with OSSA programs
- Requirements collection, documentation, and tracking

Network Engineering
- Requirements analysis and optimization
- Network design and configuration
- Requirements implementation

Operations
- Maintains 24x7 network monitoring
- Trouble call resolution and tracking
- Reliability and performance validation

Applications Support
- Coordinate Integration of Info. Systems
- Integrate Advanced Applications
- Implement Network Information Services
