

Conference: 2012, Invited, International Science Conference for Children
(“Międzynarodowej Konferencji Naukowej dla Dzieci”)

Location: Polytechnic University of Gdańsk, Poland

Dates: May 30–June 2, 2012

Title: “Symmetry and the Cosmic Microwave Background”

Presenter: Edward Wollack

Abstract:

A brief historical introduction to the development of observational astronomy and cosmology will be presented. The close relationship between the properties of light, symmetry, and our understanding the contents of our universe will be explored.
