Support for the development of the three aerosol web portals has been provided by NASA HQ through the ROSES 2009/2011 ACCESS Program (PI: Charles Ichoku/Gregory Leptoukh) and 2011 Earth System Data Records Uncertainty Analysis Program (PI: Charles Ichoku). The authors acknowledge the AERONET, MODIS, OMI, POLDER, CALIPSO, SeaWiFS, and VIBS Aerosol Science Teams for the Science Algorithms and for producing aerosol data and the AERONET/MODAPS/Lanc/GES DISC for making data available to the user community.
